Team Sponsorships..... 2009 at the Great American Barbecue

The idea behind a team sponsorship set up by the Great American Barbecue
The Great American Barbecue committee wants to help promote barbecue throughout the world and introduce those businesses that need a nudge to participate and help those teams who do "Que" the best. Our idea is to bring together those small businesses or groups that cannot afford a full blown party and team them with teams that want to share and get some help with costs of competing.

Costs and benefits for companies:

\$350 for 8 party/team goers and \$12 for each additional person
With \$150 going to GAB, plus \$5 for each additional person and \$200 going to team , plus \$7 going to team for each additional person.

Benefits:

- Signage at team space for the weekend – "This team sponsored by _____"
- One night at team for party/dinner/2 drink tickets per person
- Weekend wristband to the Great American Barbecue for each person
- Ability to interact with team i.e. watching and learning
